OSPRINT

500 ml

Technical Information

Description

Osprint energy supplement contains 200 ml of **OLIVUM®** our exclusive olive tree leaves' water infusion, and it has been studied for assumption during sport activities and prolonged physical exercises. Thanks to olive tree leaves' properties and to the beneficial effects on blood circulation, there is a greater oxygen supply and, consequently, a better performance.

Directions for use

250 ml per day.

Storage: store in a cool and dry place avoiding exposure to sources of heat. Once opened, store in the fridge and consume within three days. The best before date refers to the correctly stored product. **Warning:** Keep out of reach of children under three years of age.

Supplements should not be considered as a substitute for a varied and balanced diet and a healthy lifestyle. Do not exceed the recommended dose.

Ingredients

water, aqueous extract of olive leaves (Olea Europea L.) and calendula flowers (Calendula Officinalis L.), acidifier: citric acid, glycerine, natural flavours, sodium citrate, potassium chloride, magnesium carbonate, sweetener: sucralose.
